

## Klagenfurt: Where history comes to life

*Klagenfurt am Wörthersee is a city that is rich in history, reflecting centuries-old events. The historic Renaissance old town is characterised by magnificent buildings and winding alleyways, reminiscent of a rich past. A landmark for centuries, the imposing parish tower is a popular vantage point, guarded by the sole remaining tower watchman in Austria. The Ernst Fuchs Chapel, created by the famous painter, is a work of art that reflects Klagenfurt's cultural diversity.*

The **Ingeborg Bachmann Museum** on Henselstraße, which opens at the end of June, is an inspiring place for literature lovers. Here, visitors can learn more about the life and works of the renowned writer. **Gustav Mahler's Composing Cottage** is another cultural highlight that offers insights into the life and works of the famous composer.

The **Robert Musil Literature Museum** is a meeting place for people interested in literature, where various exhibitions and events take place. The new **Kärnten Museum** is a treasure trove of regional history and culture that appeals to visitors of all ages with its diverse programmes.

The **Klagenfurt Festival** from 17 May to 2 June is another highlight in the city's cultural calendar, offering a wide-ranging programme of music, theatre, literature and art. Artists from all over the world come together here to showcase their talent and celebrate Klagenfurt's cultural diversity.

The combination of nature and culture makes Klagenfurt a unique travel destination. The picturesque Lake Wörthersee and the surrounding mountains offer visitors the opportunity to relax and enjoy the beauty of nature while immersing themselves in the city's rich history and culture.

Klagenfurt is more than just a city – it is a place where past and present, as well as nature and culture, merge harmoniously and provide visitors with unforgettable experiences.
